INFORMATION
SESSION

31 AUGUST

10am – 2pm

Moonah Arts Centre
65 Hopkins St, Moonah

**DO YOU HAVE A STORY, VIDEO,
FILM or PHOTOS YOU WOULD LIKE TO SHARE?**

Rediscovering Springfield will be an art-work explored on the street of Main Road Moonah. Created with sound, photos and video shared by the community of greater Moonah and Springfield.

If you lived or went to school in the area, were involved in the local community and have stories that you would like to share, please come to the information session to find out more.

Anita Bacic is an artist who grew up in Springfield during the 70s and 80s. She has been working with a team testing mobile app development, interviewing the locals, recording videos, collecting photos and stories of the area for the project. Bacic is interested in the untold stories of the migrant community who helped build and add to the area of greater Moonah and Springfield.

We are also looking for old photos of Main Road Moonah.

Come and see what we have been doing since April!

Come talk to us at the information session, all are welcome!
